Skill Development Training Cum Internship Course

Skill India is a campaign launched by Govt. of India in 2015. The chief objective of the mission is to empower the youth of the country with adequate skill sets that will enable their employment in relevant sectors and improve productivity.The mission intends to create opportunities and space for the development of talents in Indian youth. The other objectives are:

- ➢ Closing the gap between skill required by the industry and skills people possess for employment generation.
- ➢ Reducing poverty in the country.
- ➢ Increasing the competitiveness of Indian businesses.
- ➢ Ensuring that skill training imparted is relevant and of quality.
- ➢ Preparing Indians to take on the world manpower/resources market.
- ➢ Diversifying the existing skill development programmes to meet today's challenges.
- ➢ Offering opportunities for lifelong learning for developing skills.
- ➢ Augmenting better and active engagement of social partners and building a strong public-private partnership in skill development.
- ➢ Mobilising adequate investments for financing skills development sustainable.

UIET, KUK was established by Kurukshetra University in 2004 with objective to develop as a "Centre of Excellence" and offer quality technical education in Engineering & Technology. The institute has taken a lead to start Skill Development Training Cum Internship Program in various domains to make students job ready. The main objective of the programs is to give benefits to the students who have been either dropped out of colleges and universities or studying in another colleges/institute affiliated to university. The idea is to provide suitable skills to such students to make them employable aligning with the objectives of NEP-2020.

The institute offer following courses whose online registration starts from 20th June , 2025 using the following link: https://forms.gle/3XyEBAB2GSw2xcFu6 upto 10th July 2025. Each course runs for 4–6 weeks, with daily training sessions scheduled from 10:00 a.m. to 1:00 p.m. A registration fee of ₹4000 per candidate will be charged for each course.

1. Skill Development Training Cum Internship Course in Bio Fertilizer Technology.
2. Skill Development Training Cum Internship Course in Industrial Biotechnology.
3. Skill Development Training Cum Internship Course in Welding (AC/TIG/MIG)
4. Skill Development Training Cum Internship Course in Conventional Manufacturing Processes.
5. Skill Development Training Cum Internship Course in Antennas Analysis and Design.
